CLEANING

Our customers – whether industries, institutions, offices, shops, or individuals at home – are judged by the highest standards of quality and service. The facilities they operate from are expected to be spotless, hygienic, and environmentally sound in an ever-changing, never-ending challenge.

Ubora Services Limited provides contract and one-off cleaning services to the above client category. We have professionally qualified, trained, honest, good mannered and experienced cleaners with a keen eye to detail and passion for the job. We also have the necessary equipment for all manner of cleaning tasks e.g., floor scrubbing and polishing, seats and carpet cleaning, glass, and wooden surface cleaning, etc.

WASTE COLLECTION AND SANITARY BINS

We are County government and NEMA licensed to provide waste collection and disposal services to institutional and domestic clients. We have fully covered and dedicated trucks that transport domestic, industrial, and biomedical waste – in both liquid and solid states.

We offer plastic waste holding bins (at a cost) for a cleaner and pest free environment – and collect the waste at a frequency prescribed by the customer.

PEST CONTROL AND FUMIGATION

Ubora Services Limited has a team of highly qualified and experienced staff who employ the latest, most effective, environmentally friendly, and biodegradable pesticides and chemicals to carry out contract and one-off fumigation and baiting against all crawling and flying pests.

We also have a fogging machine for COVID-19 Fumigation. We are licensed by the Pest Control and Products Board to carry out fumigation activities – with minimal disruption to your operations at the office, school, shop, or home.

Do not let the bugs bug you, call us for a free technical survey and competitive quotation.

We have expert landscaping professionals who can transform the face of your work premises or home to a rich, environmentally enhanced, and appealing surrounding.

Please feel free to call us for discussions in this area.
